Re: Responses to EPA Information Request Letter to Mendez-Ortiz Construction, Inc.

Dear Mr. Rollins:

Enclosed with this letter are responses to EPA's Information Request Letter dated June 8, 2018, as well as a signed declaration---EPA Attachment C. The responses include clipped packets of documents for each property listed on EPA Attachment B and contain listed written responses referenced to numbers 1-25 from EPA Attachment A.

Included in each packet are copies of the company's RRP Firm Certificate, one Estimate and one Invoice for each property job, and copies of cleared checks (as applicable). One packet contains several photos in response to item number 13.

Copies of documents requested in item number 9 (RRP Individual training certificates) for all properties are the same. One copy of each certificate held by Martin Mendez, Victor Mendez and Juan Ortiz are enclosed, rather than separate copies for each property.

Please feel free to contact me if there are any questions.

Sincerely,

Ray Signer
Accountant
